Women Build Launches Tomorrow! - Habitat for Humanity ...

Today, from decent Habitat homes in our communities, kids are learning and achieving online, moms and dads are working safely, and families are staying intact. Many more families still need our help, including two right now who are excitedly hoping that Habitat has the resources to continue building their homes," said Kevin Worden, who is Executive Director at Two Rivers Habitat for Humanity.

Homes, Communities, Hope + You - Two Rivers Habitat

Over the summer, the house will be trucked in two pieces to Park St. in Clifton Springs. There, a crane will set it on its foundation and Habitat volunteers will help finish the home for a local family in need. Peter said the methods and materials that go into constructing a Habitat house are just what today's home builders need to be skilled in.

Habitats and Homes – SEEd

Habitat Destruction . Habitat destruction is the process by which natural habitat is damaged or destroyed to such an extent that it no longer is capable of supporting the species and ecological communities that naturally occur there. It often results in the extinction of species and, as a result, the loss of biodiversity.
