TOUCH AND HOP INSTRUCTIONS 1. Stand on your right leg with your knee slightly bent. 2. Start bending at the hips, extend your left leg behind you, and touch the floor with your left arm. 3. Jump quickly and drive your left knee up. 4. Land on your right foot, repeat and switch sides.

Touch And Hop | Illustrated Exercise Guide

Step 1, Place your weight on your right leg. Start standing straight with your feet shoulder-width apart. Bend your right leg slightly and lean your weight onto that leg. Your left leg should be loose and ready to lift off the floor.**Step 2,** Bend forward as you lift your left leg. Bend at the hips, keeping core tight and your chest up so that your back is straight. You don't want your chest to sink and your back to round. At the same time, balance on your right leg as you lift your left leg ...
