### The Rest Of The Iceberg: Delegated Decisions – SIMONICITY

Welcome to r/IcebergCharts, a subreddit totally unrelated to mapping out icebergs. "Iceberg charts are usually images of an iceberg, captioned humorously so as to convey that the tip of the iceberg is the summation of the knowledge of most people, while the much larger submerged part of the iceberg is the sum of all knowledge of a particular topic."

### Rest Of The Iceberg And

The Rest of the Iceberg will help you understand the world. It answers questions and explains the backstories so you can make sense of what you see on the surface. That understanding will help you engage the world ' s challenges more effectively.

### Rest of iceberg | Inquirer Opinion

The Rest Of The Iceberg: Delegated Decisions. What percentage of planning decisions would you say were made by officers, acting under delegated powers, rather than by members? ... So the more major applications that many of us focus on are the tip of a very large iceberg.

### The rest of the iceberg | Neurology

Current model legumes cover only a fraction of this diversity—the tip of the iceberg of variation in the family. New models would be useful to provide the kind of phylogenetic coverage that exists in grasses, for example, where the primary model, rice (*Oryza sativa*), is about as distantly related from the other well-studied taxa, maize (*Zea mays*) and the triticoid grasses (wheat [*Triticum* ...

### The Rest of the Iceberg

The Rest of the Iceberg isn ' t deterministic. It doesn ' t say the world has to be the way it is. It doesn ' t remove people ' s responsibility for building better societies where they live. Every day we all help to shape life above the waterline. The Rest of the Iceberg will help you understand the world.
